Note that we have interpreted “investment holdings” as equity and/or debt holdings in the relevant companies.

Based on the question, we infer that you may be interested in certain specified companies on the Office of the United Nations High Commissioner for Human Rights (OHCHR) database of businesses alleged to be involved in activities relating to the Israeli settlements in the Occupied

Palestinian Territories. If that is the case, for good order we note that General Mills Inc. is no longer listed in the OHCHR database and we also hold equity in Airbnb Inc. as at 31 December 2024.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602. Please note that it is our policy to proactively release our responses to official information requests where we consider the request to be a material one.

Our response to your request will be published shortly at <https://www.nzsuperfund.nz/publications/disclosures/oia/>, with your personal information removed.
